INFORMATION DISCLOSURE STATEMENT

This document is being submitted in an effort to comply with the duty of disclosure defined in the Code of Federal Regulations, specifically 37 CFR §1.56. The duty of disclosure imposed by the Patent Office extends to inventors, the applicant's attorneys, and others associated with the filing and prosecution of the patent application. It requires that all information known to such individuals which may be material to the patentability of this invention be disclosed to the Patent Office.

The information being submitted is listed on the attached form PTO-1449. Copies are enclosed except for 09/523,902 and 09/564,660 which were not in applicants' possession and apparently not published.

The submission of this material is not an admission that the information is in fact prior art properly assertable against this application. The applicants specifically reserve the right to question or prove that this information is not properly asserted against one or more claims of this application or claims submitted in a derivative application.
